TOUGH

"This is tough luck," said Ham mournfully, as he leaned out of a window of the Ark.

"What's the kick now?" inquired Shem.

"Why, we've got all this water around us to fish in," replied Ham, "and only two fish-worms on board.

Wheat Sign-Up Will Begin August 24

Aug. 3 — Details of 1965 Voluntary wheat program were announced officially today by USDA. Operation of program in general will be about same as for 1964-crop year. Although some program provisions are modified participating farmers can get about same returns as from 1964 program.

Principal changes, compared with 1964 program provisions are:

1. Domestic certificates will be worth 75 cents per bushel (were 70 cents), and export certificates 30 cents per bushel (were 25 cents).

2. Price support national average loan rate will be 1.25 per bushel (was 1.30).

3. Program participants can qualify for domestic certificates on 45 percent and export certificates on 35 percent of the normal production from their allotment (were 45 percent each).

4. Wheat and feed grain (including oats and rye) acreage substitution will be possible (none in 1964).

5. If diversion in addition to required minimum is at least 10 percent of farms 1965 allotment, payment on such additional diversion will be made on 50 per cent of farms normal production times county loan rate on ALL of such added acres diverted to conserving use. No payment will be made for applying conserving use to minimum qualifying acreage equal to 11.11 percent of 1965 allotment. (payment in 1964 was at 20 percent for all acres diverted to conserving use.)

6. A producer can get program benefits if he exceeds his acreage allotment by not more than 20 percent on any farm in which there is an interest and stores under bond that wheat from excess acreage, meanwhile carrying out conserving use requirements of the program (not provided in 1964).

Signup for 1965 voluntary wheat program is planned August 24 through October 2 in ASCS offices. This signup will apply only to predominantly winter wheat areas. Program signup for wheat growers in predominantly spring seeded areas probably will take place early next year at same time as that for 1965 feed grain program. The 1965 feed grain program will operate under same legislative authority as in 1964 and therefore will be similar to 1965 program. The 1965 diversion requirements, payment rates, and loan levels will be determined and announced later.

The 1965 progrram for wheat entirely voluntary. As in 1964, there will be no marketing quotas or marketing quota penalties for 1965-crop. Further, those overplanting their acreage allotment in 1965 will not lose wheat acreage history for future years.

Pamplin Cannery On Full Schedule

Mr. H. B. Pack, Instructor of Vocational Agriculture, announced this week that the Pamplin Cannery will operate on a full schedule Monday through Friday.

Increased volume of food being processed has demanded this announcement. The volume of 1964 has approximately doubled that of 1963.

Reflective Plates

RICHMOND — The Virginia Sheriffs and City Sergeants Association unanimously passed a resolution asking the state to adopt reflective license plates at its annual meeting here August 4.

Reflective plates glow in headlights from as far as 2,000 feet. Traffic safety authorities consider them valuable in forewarning drivers against parked or parking cars, slow-moving vehicles or those stopped in traffic. West Virginia has had reflective plates since 1960.

In 1963, mileage death rates in rural areas at night were two-and-a-half times as high as death rates during the day, according to the National Safety Council.

Vehicles ABlaze Bring Firemen

Local firemen were called out Friday morning when the carburetor on Richard Sweeney's truck caught afire as the truck traveled east on Rt. 26 at the western boundary of the town of Appomattox. The following day firemen rushed to Evergreen to extinguish a blaze in John Notenstein's auto.

Another Word About Pamplin's Auction Friday

If you have furniture—clothing — food items — anything at all to contribute to the auction Friday night in Pamplin being sponsored by Pamplin Ruritans, please bring such items to E. F. Williams or call him, 248-2691, for pick-up from your home. Ruritans need your help to make the auction a success. There's a ball game and picnic, too, on Friday night — everything needed for an evening of fun to help little ball players of Pamplin.

Coop. Offers Lower Rates

Effective immediately Central Virginia Electric Cooperative member - consumers receiving service under the Cooperative's residential rate schedules who use more than 1000 kilowatt hours per month will be able to take advantage of lower cost electricity. All usage in excess of 1000 kilowatt hours permonth will be billed at the rate of 1.2c per kwh. This represents a reduction of .3 of a cent per kwh or a 20 per cent reduction in this bracket of the rate schedule.

The new rate essentially adds a rate bracket. Previously all usage over 200 kwh per month was at 1.5c per kwh. Under the new schedule usage from 200 to 1000 kwh per mont is at 1.5 per kwh and all over 1000 kwh per month at 1.2c per kwh.

Electricity is one of the few things which has not increased in cost in recent years. There has not been an increase in the residential rates of Central Virginia Electric Cooperative since its organization in 1938. The Cooperative is pleased that this change is a reduction.

Big Ones That Didn't Get Away

The All-Stars Take Second Berth In State Tourney

The Tri-County Dixie Senior All-Star team placed second in the state in a fast moving tournament which ended Thursday with a victory by Stanleytown. Defeats by Stanleytown Tuesday of last week (7-3) and Martinsville on Wednesday (9-3) closed out the season for the All-Star group from Farmville, Appomatox, and Buckingham.

All - Stars from this area, Carroll Goodrich, Mike Mitchell, Doug Mitchell, and James BLACK well, helped bring about a victory in the state tournament against Danville (4-1).

Mike Mitchell led the All-Stars with a 500 batting average. He went 6 for 12 in the State Tournament. "All of the boys showed themselves as champions in their own right," said Coach Walter C. Carson, of Appomattox.

The local All-Stars were chosen from the Appomattox team which in its first year of competition finished second in the four team Dixie Senior League which closed out its season July 23.

Carson, coach of the Appomattox team, and one of the coaches of the Tri-County All-Stars said he is deeply grateful for the support by parents, fans, and business organizations and professional people of Appomattox in providing uniforms, transportation and other financial support for this first year of competition in the Dixie Senior League.

Rescue Squad Day Saturday

Single Leaf Of Tobacco Is Yard Long

W. A. Woodson, Route 3, Appomattox, displays, what he terms the biggest and best dark-fired tobacco he has ever raised. One leaf picked at random in this field, part of his 1.54 Acre allotment, measures 27 inches long and 19½ inches wide. The secret? 1400 pounds of fertilizer, 4-8-12; also, 400 pounds of nitrate of soda. The tobacco? A cross between Turtle Foot and Lizard Tail. That one 37 inch leaf (just to give you an idea) is large enough almost to cover a small child. There are some leaves bigger than this in Woodson's fields which escaped the destructive hail two weeks ago that tore up a lot of the county's dark leaf as well as corn and other crops.

Will Include Country Music Auction, Rides

There's a great day coming for fun loving people all over De area — It's RESCUE SQUAD DAY Saturday on the parking lot of West End Market between West End and Sneed's Pharmacy.

There'll be cotton candy and popcorn to munch as the big auction begins at 10 a.m. Rescue Squad Captain, Kenneth Jamerson says if someone does not ask for his German Shepherd dog (for free!) before Saturday, he'll add him to the auction. Furniture, clothing, glassware, vegetables — and all kinds of things will be offered by auctioneers Cecil Wooldridge and Claude Moore assisted by other auctioneers invited to join in the special kind of "hollering" that means good things for the buyer, and ready cash for the Rescue Squad building now being completed.

Squad member Jimmy Rogers will bring his "swing set" for the kiddies, plus other rides on the big Midway. A fortune teller will give you the "lowdown" on what's coming up in your future — And you can toss balls at drink bottles for a prize for your sweetheart.

Bake Sale, Too

The bake sale begins at 10 a.m. The Squad urges good cooks to bake up a little extra to donate to this sale. They'll pick up your baked goods, or you can bring them to West End. All proceeds aid the Squad in their work.

Merchants from all over the county are helping with gifts and donations to make the annual Squad Day a success. With games, rides, refreshments, and special country music to liven up the evening hours.It's a sure bet that Saturday can be a great day for you and the county. Support Rescue Squad Day!

Tobacco Program Deadline Near

Virginia Farm Bureau's Flue-Cured Tobacco Approved Practices program will continue to take applications until August 15. No applications will be approved after that date. This announcement was made by S. T. Moore, Jr., of South Hill. Moore is chairman of Farm Bureau's Flue-Cured Tobacco Committee.

Commenting on the program, which endeavors to encourage growers to produce and market more "usable" leaf, Moore said, "We have been in touch with most tobacco buying companies who assure us that they are very much aware of the aims of our program. In many letters to us they promise more consideration than they gave us last year when we were badly handicapped by a disastrous drought in the Old Belt."

Citing replies to letters sent to buyers, Moore quoted from one, which he said was typical, "Last year's drought was a disaster to this effort of yours . . . I cannot help but feel that the produce of these (approved) practices will stimulate bidding . . . for these tobacco."

"While interest in the program is not as great as it was in 1963 we can be gratified with the response to our movement. Any producer who uses the moderate cultural practices approved under the program should take advantage of every opportunity to try to improve his marketing position," the tobacco leader said.

"Sound-Light" Document Ready

Congressman Abbitt Gives Support To Appomattox Heritage Project

Representative Watkins M. Abbitt has made clear his "unqualified support" for the outdoor "Sound and Light" project being planned by Appomattox Heritage, Inc.

In a meeting over the week end with Heritage vice-president, Dr. J. A. Mathews; secretary, Mrs. Emily H. Burke; and the "S-Light" consultant, D. Gordon Graham, Abbitt was brought up to date on the latest developments in the project.

Graham told Abbitt that the "feasability document" has been prepared for a meeting with National Park Service officials. Yesterday the Board of Directors of Appomattox Heritage met here to discuss and approve the proposal prior to formal presentation to the National Park Service.

Congressman Abbitt said that he is now in the process of setting up a meeting between Heritage officials and Senators Byrd and Robertson in Washington.

On Monday Graham and Mrs. Burke went to Farmville where Graham addressed the Chamber of Commerce on the "Sound-Light" production planned for Appomattox Court House National Historical Park in April of 1965. Approval by the Park Service will be needed before the production can be staged there.

Lions Meet Tonight

The Appomattox Lions Club will meet tonight at Maudes' Restaurant at 6:45 o'clock. Lion William C. Dudley, Program Chairman, promises an outstanding program.

Picnic-Baseball Game-Auction

Pamplin Ruritans Plan Evening Events Friday For Boys' League

Pamplin Ruritans are offering a three-way evening of fun tomorrow night with a picnic, baseball game, and auction sale at the Pamplin City Ball Field. The Little Boys' League will receive all proceeds.

A pony, $100 Savings Bond, and rod and reel are being offered in a special drawing. You do not have to be present to win. Pamplin Ruritans have the tickets for sale.

Auction Items Needed

Items for the auction can be left at the B & K Store in Pamplin. Toys, furniture, glassware, good used clothing — and a few items "just for fun" are just the Ruritans need. Just clean up the house early — donate what you don't need — and take the entire family for an evening of fun at the Ball Field.

Speakers Named By Presbyterians

Guest speakers for the next two Sundays have been announced by the pastor of the Appomattox Court House Presbyterian Church, Rev. M. G. Simpson. The pastor and his family will be on vacation. On August 16, 11 a.m., Mr. J. B. Stovall, Jr., an elder in the Rivermont Church, Lynchburg, will speak. On August 23, 11 a.m. Mr. Francis I. Libby, an elder in the Westminister Church, Lynchburg will speak.
